followed by Nike, the relevant person responsible for explaining the performance of CP3.IX, you can refer to the previous official information, we will send more detailed follow-up.

understand the design concept of shoes, the scene immediately through the two projects to feel the movement combination performance, and the Chris Paul cast as the ending, let you feel the captain on the field on the actual combat style, but this may be because the experience show more, so each one to the number of actual operation with time is not very fun, small person is not enough to have too many initial ideas to share, or to all the trouble to wait, but certainly there are a few points:

1. shoelaces around the ring, the coating is very powerful, but it seems to have caused wide soles of the feet of people wearing the original size may be uncomfortable, the scene has heard at least two people reflected, but Xiao Bian does not have this problem.

next season in his hometown in Atlanta Dwight Howard, before 9/2 started the brand in China travel, first stop after arriving in Beijing, was also involved in the PEAK DH 2 will be published. From the scene in the picture you can clearly see the DH 2 will appear in other low, if the shoe makers Howard impression exploration early in the second half of the season was 1 Low with DH, it is reported that there will be such a change from his own opinions, but also makes the center of shoes to break the old traditional form.

, the first color to be presented at the conference, was officially named "the universe", which means inspiration from Taiji in eastern philosophy. Asian brands and thinking are interpreted by Western athletes, and there are plenty of stories to illustrate. In addition, two hawks color style also will debut, and the tongue within 'BE GR8' is embroidered with the new team number and the western language abbreviation on behalf of Be Great (GR-Eight) slogan. The application of PEAK technology has not yet released official information, will have to wait to get the formal sale, interested researchers may wish to wait for prospecting.

DH had 1 in digression, before the official had some small episode, but the design team in Beijing, and to invite foreign designers, and there are third kinds of fans by the final submission, as you see, but it also has many good proposals. The day before the Howard published practice film in Instagram, with a current DH 2 with different shoes, the overall appearance is also interesting, do not know whether the future PEAK will be included in the sale plan.

12 month in addition to Christmas, for many fans is an important season for the first time since 2009, Jordan Brand will launch the 11 generation of the classic Air Jordan color design at the end of the year, like last year's Air Jordan 11 "Legend Blue", this year's "Christmas gift" may be the legendary 72 victories and 10 defeats the commemorative edition.

1996 bulls season 72 wins and 10 losses, so far no one can break the record in the NBA long season, under a campaign, only losing hands countable game also throughout the year, even if Stephen Curry led the warriors or record the history of the second years long Lian Shengji recorded three giant Miami unable to break, you can understand this record is "no" with no predecessors. And this pair of shoes is not only a legendary record, was also the first time the Jordan comeback after the beginning of the next three straight.

The

of many old fans, once from the movie Michael Jordan witnessed the basketball gods glory time, this opportunity will be 72-10 record in your hands, this shoe is expected to open to sell abroad in December 19th, \$220.

, and from the foreign media released photos of the entity, in addition to shoes, carefully packaged shoebox is another bright spot.

The

version of the 11 generation, will replace the shoes with leather cloth; Jumpman logo is changed into a red reflective material, compared with the previous version of embroidery, don't have different characteristics; paint leather look at the night sky like a shining star, on a black background, multi-level aesthetic performance, relative the previous version of Jordan Brand, is not difficult to understand the value degree, from the inside to the outside of the legend to show the most delicate way.
