recently shared Nike Kyrie 3 color white Heixin I believe we should have the impression (the station reported here please), and earlier and the same design but black and white colors inverted version appeared, Heiduobai less appearance but also to some foreign media to "Tuxedo" (men's tux) to call it, really there are so graceful. Gentry sense; but it is the first time the editor think of a more fancy dress, a combination of the so-called black and white Yuanyang style collocation, the left foot looks different feeling, are interested in exploration researchers may wish to consider a shoe with two pairs, or find a friend's pairing!

this color is expected to be released overseas in July 21st, priced at 120 U. s.dollars, the Taiwan region if there is news of listing, we will share with you.

PUMA show New York sports fashion wind ICNY into SELECT joint brand

quarterly new product launches are always full of topic PUMA SELECT series, and in the winter, they have released joint cooperation with New York popular tide brand ICNY. Early in August this year launched PUMA and ICNY of the first single "Ice Cream" branded shoes, for him for long-term cooperation between the two sides, with the latest PUMA technology running shoes IGNITE design for the prototype of the "Ice Cream" joint shoes immediately aroused a high degree of attention of all parties in the collector shoe after the listing, the end of September PUMA was released ICNY PUMA SELECT will be formally incorporated into the joint brand.

from New York popular sports fashion brand ICNY in North America has been well received by young people nowadays love, brand founder Mike Cherman love bicycle sports very much, but the accident occurred accidentally in a night ride, although all safe, but it

caused him to create a sense of security and design with the brand, he decided to dress in, shoes or accessories in science and technology reflective material, increased nighttime visibility and safety, the ICNY brand was born. Mike Cherman is not only a sports player, but also a founder and designer of ICNY brand. The purpose of the brand is to make anyone who wear ICNY have a strong self style, but also a little more security.

PUMA x ICNY PUMA in this season's classic R698 retro running shoes as the protagonist, ICNY will be the most representative technology of reflective material along the suture to spread shoe vamp, the use of the unique technique is simple but not dull, the PUMA x ICNY series of personalized interpretation function of fashion technology aesthetics.

clothing part is in cycling as the main design thought, in addition to the use of reflective technology, with the wind and water repellent two functions, this season is the most representative PUMA x ICNY reflective hooded windbreaker jacket in armpit attached zipper design, make the process of cycling can easily draw the chain increased air flow and cool climate can also be pulled up your zipper to maintain body temperature; another PUMA x ICNY long bristles reflective Logo T-shirt used biomimetic capillary technology, can automatically adjust the movement of the body temperature, side Logo using classic anti light material science and technology, provide better security for the night exercise.

Air Jordan 17+ Retro 'Bulls' Taiwan area will be sold at a particular store in June 4th at 6900 yuan. We are responsible for arranging the distributors who are currently selling their products in Facebook. The actual selling methods, mechanisms and locations are subject to the announcement of the stores.
