Nike Soho shop last week in a series of formal operations, in addition to the opening sale of some heavy shoes, fashion designer John Elliott for LeBron Soldier 10 the creation of joint models among them, and only in the shop selling exclusive limited styles. However, this is not the first time John Elliott and Nike LeBron series of shoes related, shoe makers survey if there is impression of the designer should remember last year he took LeBron 12 as he will be published on the catwalk fashion shoes, but this two cooperation with LeBron James game in exquisite performance about.

began to see him play John Elliott from LeBron James high school in 2014, when he saw the wonderful performance by the nose injury with carbon fiber face protector against New York Nick and the initiation of the idea of cooperation in the field of LeBron James had 31 points and 4 rebounds and 4 assists to help the team win ball scores, were described as "Batman" the appearance should also have a lot of shoe makers prospecting all remember this incarnation "mask man" game for John Elliott is very impressive, but also buried a day after further cooperation opportunities.

the following year (2015) in his charge of the clothing brand held in New York fashion week of the new conference, John Elliott really got a lot of opportunities for cooperation, he LeBron 12 as a show on NIKEiD through the design, make models in LeBron 12 on the runway.

John Elliott, LeBron 12, designed by NIKEiD at that time. During the NBA championship in June this year, John Elliott was again third series field and at the foot of LeBron James shoes to deter, he was put on a black Soldier 10 in the John Elliott view with a devastating beauty, is facing the disadvantages of development seem to notice the counterattack after the (to win, so he wants) again in cooperation with NIKEiD, he passed a message to the relevant personnel of Nike Basketball, said he hoped to keep this pair of shoes was still enigmatic (at the time of Soldier 10 has not been officially published) to join him in new spring and summer 2017 will be published the two sides cooperate once again ranks, therefore, the following became the Nike Soho opening shoes limited.

The
is a continuation of his favorite light tone, adding black dots, layers and reflective elements to the vamp, and the orange on the midsole's head represents his first sight

all sweat and tears and blood of youth HBL high school basketball league is Taiwan many fans enthusiastic attention events, young

players wholeheartedly struggle, until the last moment is still not give up attitude is the most touching charm of basketball. At the weekend at the end of 2017 HBL Taiwan high school basketball league men's and women's basketball final, Songshan high school men and women's groups of the Luo Peizhen Gao Guohao school for outstanding play on the field and led the team to win, "I" to show the fighting attitude, respectively won the 2017 HBL men and women basketball MVP award - "Kobe Bryant Trophy".

"Mamba spirit" to inspire young heritage high school players challenge, the pursuit of excellence

1996, Kobe Bryant in the history of the young high school player identity joined the NBA alliance, opened 20 years of occupation career, made five trips to Taiwan since the Kobe Bryant player into a mentor, bring greater China inspired countless young players on the court since 2016 Kobe; Bryant retired, but his basketball philosophy and "mamba spirit" is still a profound impact on all young players. As a continuation of Kobe Bryant's legendary and inspire more young high school players challenge, in 2017 for the first time in the Kobe Bryant, issued by the HBL high school basketball league MVP award - "Kobe Bryant Trophy" to the presence of passion fighting, show "Mamba spirit" participating players, in order to encourage more young people love basketball go all out, realize the dream.

Kobe Bryant Trophy design inspiration

2006, Kobe and Bryant in a single game and scored 81 points in all the cheers, with his usual confidence and domineering step down the court, the classic gesture he stretched out his right hand index finger pointing to the sky, also called Kobe Bryant Trophy trophy design inspiration. The bronze plate of metal with 3D laser Kobe Bryant day reproduce the glory of the moment, the base is engraved on the trophy by the "Mamba spirit" the five moral "passion" and "dedication" and "strict" and "back" and "fearless", through the full potential of gas calligraphy transfer "mamba spirit" of artistic conception, the courage to challenge and encourage high school players in the pursuit of excellence.

jade in ancient Chinese symbolizes the noble, representative status, Nike KD Trey 5 II 'China' as the theme, in the upper looming cloud pattern, and tongue Xiangshang exclusive KD Yuxi shape, while the cold blue color collocation, convey the overall grand; details of the gold, red, translucent and heel stabilizer, also let the shoes more touch effect.

PUMA's classic shoe R698 has emerged this year in quite a number of styles, both with its brand limited, limited style, or basic colors, with a wide spectrum of adherents. But this time the new color appearance of the use of basic black and white as the main, through the contrast between the two shoe body block superior simple texture, so the outfit did not exhibit a unique style of leisure can.

Boost has made a great deal of noise since its inception. From jogging shoes, this year, it has expanded other fields, offering more kinds of shoes, adding a lot of curiosity about Boost technology. And for the Washington Reds Robert Griffin III created by the exclusive training shoes also use this technology. The overall use of all white uppers with inspired patterns from the prototype body to form a simple black and white contrast tone. Vamp uses SPRINTWEB to provide ventilation, light and support, while considering the training needs stable, joined the band design near the ankle. A pair of training shoes, RGIII Energy Boost seems quite impressed with streamline, more heavy football training shoes are a little gap, but after joining Boost certainly helps to increase comfort, provide training of energy feedback.

SPRINTWEB technology
